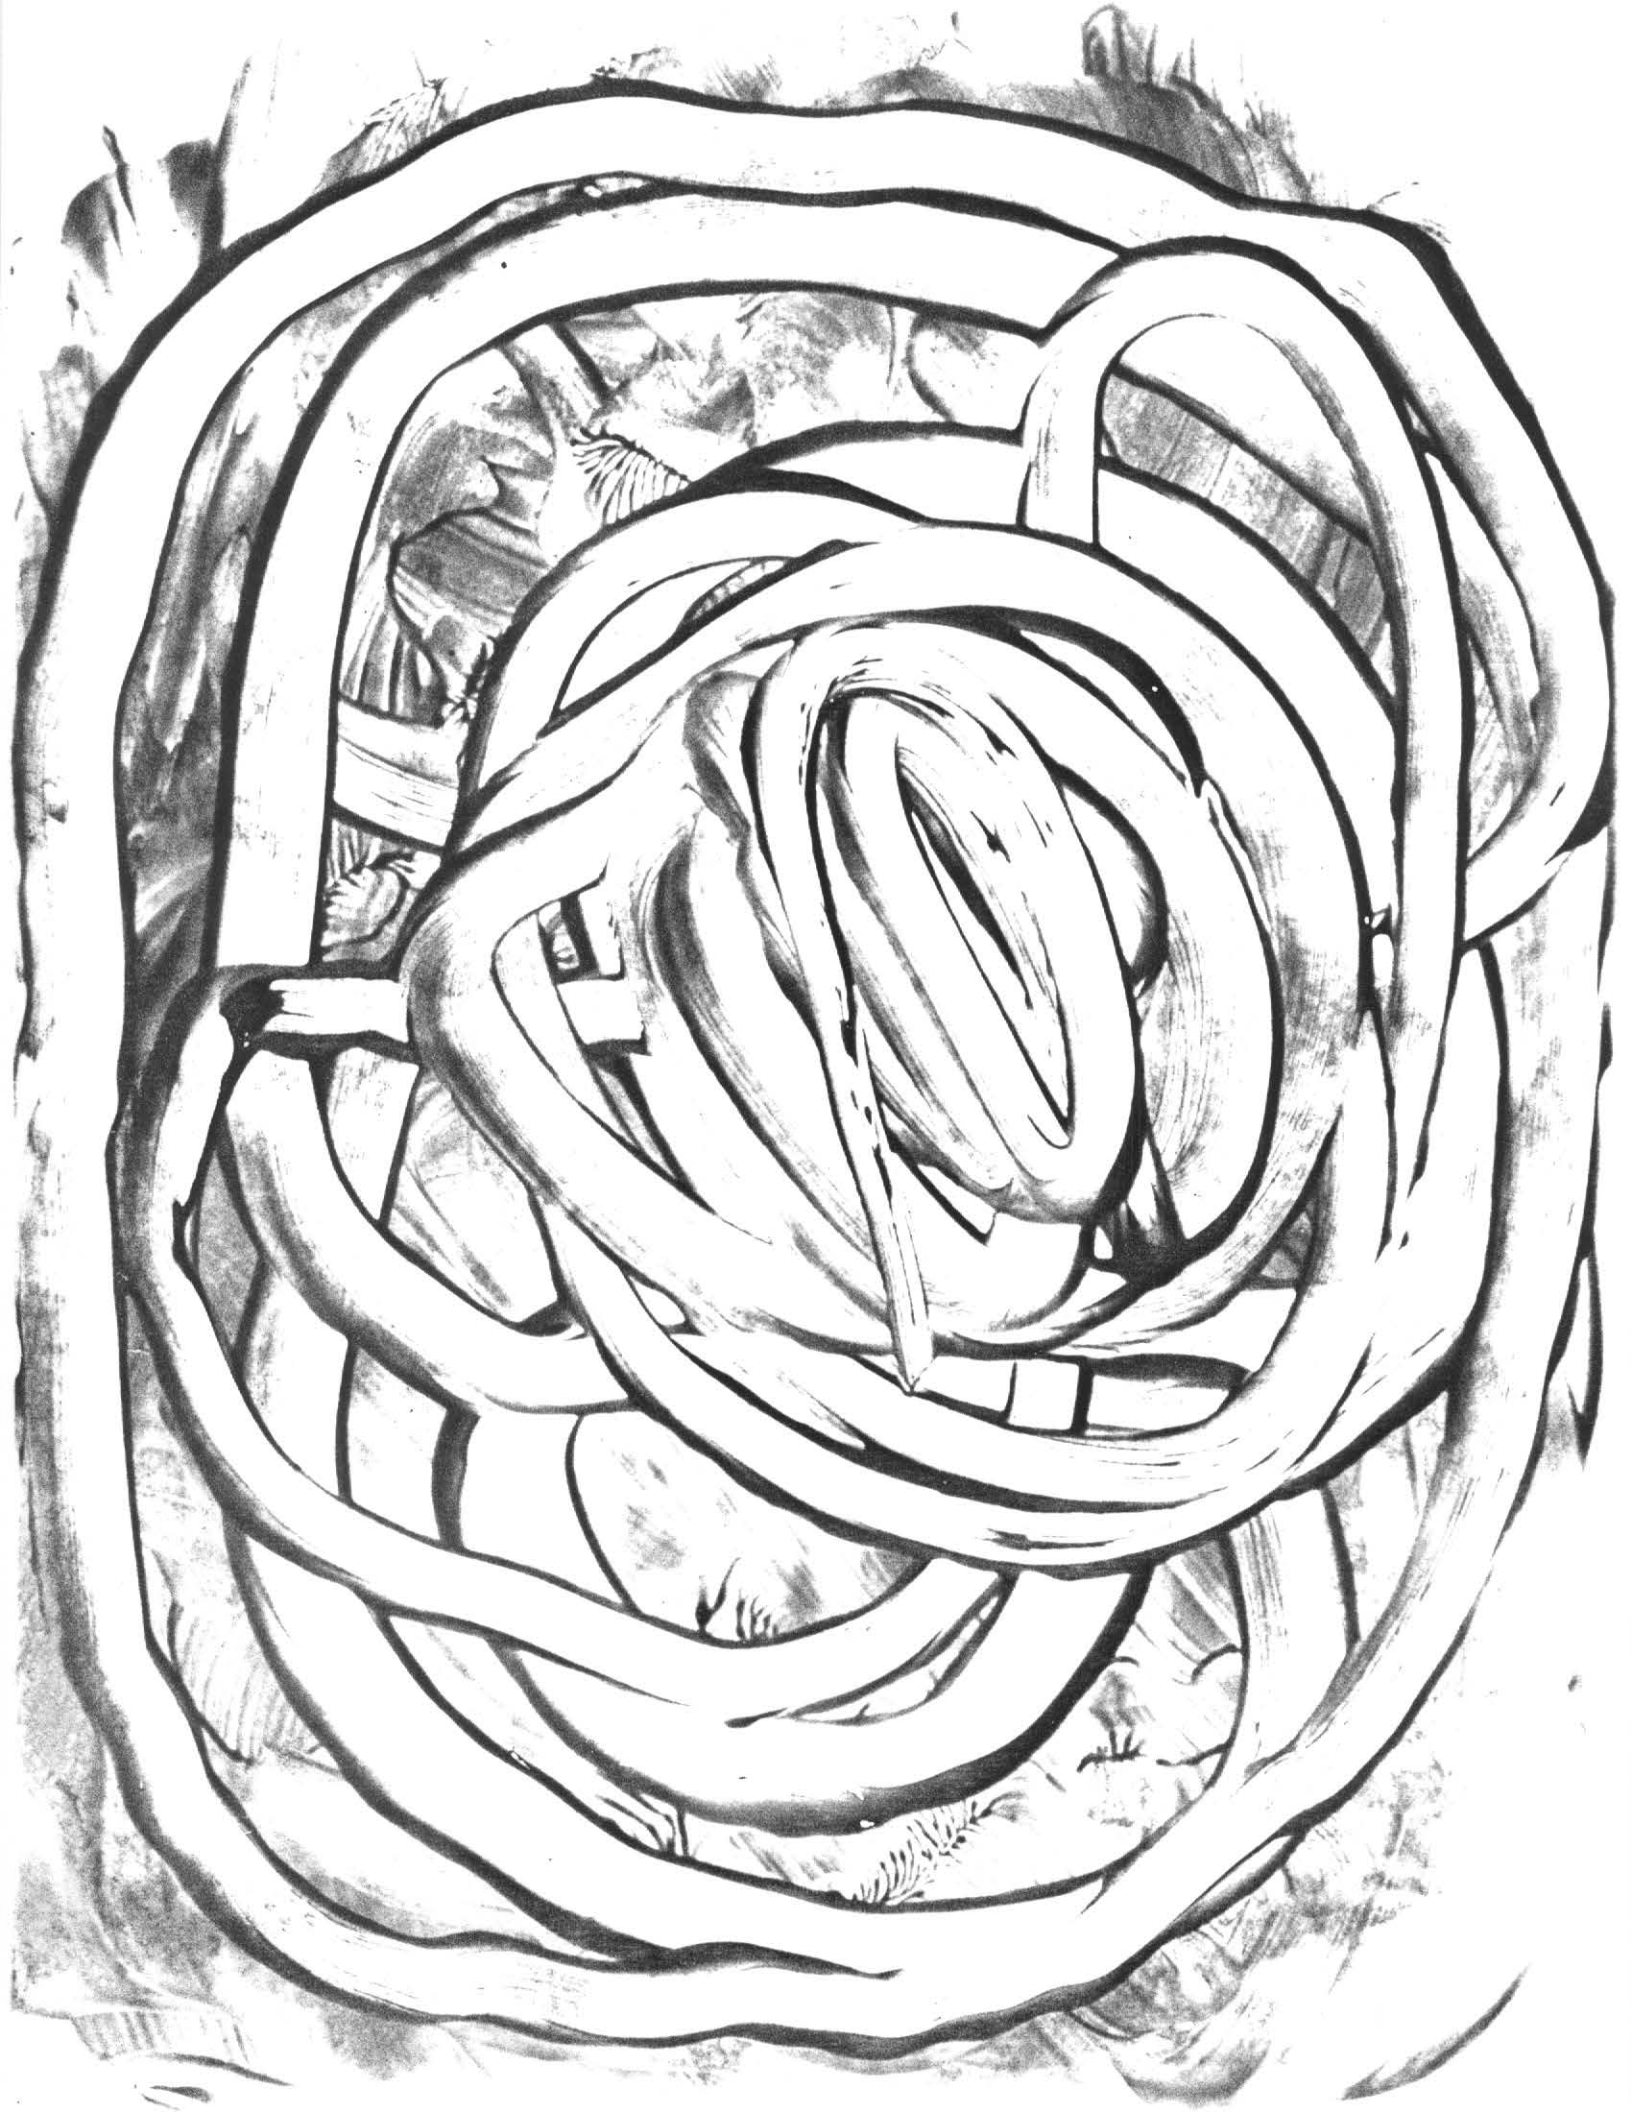
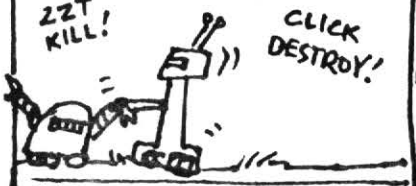
TAKE this!
ZAP.
Fry him NOW!
Yow! I'm GETTING OUTTA HERE!!!
The RoBot got away from the NINJA Bean.
BOOM
The NINJA Bean goes home with another fight won.



ROBO WORLD - the war

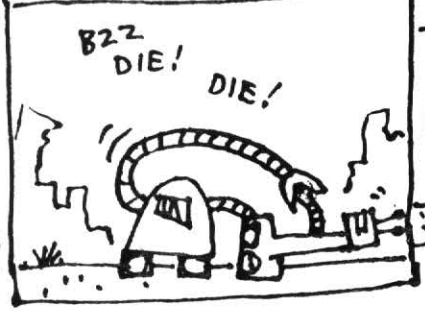
for many years now, the robots have been having war...



The war was between two kinds of robots...

There were the Robarrels & the Kingbots...

No one had won during this war



Now there were about two robots on each team

So the teams decided to have Peace and become one team and make a world for themselves, this World was going to be ROBO WORLD.

Chris Comics

KARATE KIM in KARATE WORLD

While Entering, Karate Kim is very careful because it is very dangerous in karate world...

Inside Karate world there are two NINJA skeletons near the tunnels...

After Karate Kim beat the skeletons he went through the cave....

...in the cave he got trapped in a cage!

Karate Kim broke out and ran until he got to their headquarters

When he got to there headquarters he swung on a rope and got the Jewel
